With reference to your letter No D9L4 36/36 37 dated 25th September 1936 forwarding preliminary notification for acquisition of a portion of Survey no 792/2 in Mandya Village required for constructing Quarters, I am directed to observe that ~~the purpose of~~ cannot be said to be for a public purpose the acquisition ~~is not clear~~ as the records show that ~~to~~ only person of Borech ~~seems to~~ has applied for the land ~~The records do not show that~~ the owners of land were asked to give statements as to their willingness to part

~~to post with the land, nor~~

There is no reason why the Council should not be asked to increase the value of the land. The resolution of the Rd Council is silent on the point of meeting the cost of excavation.

Further the land proposed for excavation is close to a burial ground where it may not be desirable that buildings should be allowed to be constructed. In the circumstances stated above, I am to request you to furnish a full report in the matter for consideration on the above points.

The records received with your letter under reference are returned herewith.
